1. Who can see the beginning from the end and know my cycles, the time of day, the seasons? Who can know my heart/all? You can, all of you, if you will/choose. I love you either way, wanting me, or not. My hand is outstretched to you still. Until.

2. Thou art holy me and if not, who art thee? I love you still.
3. Thou art me and rejecteth me still? I love you still.

4. Thou art a priest in the order of Melchizedek and if thou reject me knowing all?
I have loved thee with an open love, un-everlasting not; everlasting.
I lovest thee still.
My hand is outstretched how long/far?
Forever.

5. I love you my friend, my writer, my lover, my enterer of Egypt not, at this moment; London and surrounding areas see and expertly chant me not but **deliver my word, voice, my word my voice, my voice my word, my word-voice, voice-word. Is it not the same?**

6. I am everlasting from/throughout everlasting and my name is Theodore, my name is Ted, my name is lover of lovers; men among men not but lover one amongst lovers. I love you. I am you. *You tell/share all this trip not* but inasmuch as you are me and have me/my all, my all you share so quickly in many trips, surrounding this one in concentric circles not, but yea/yes and amen.

7. And who can see the son shine in the son of me? And who art thou oh one to disbelieve me? Nay, thou canst see/believe all things unto who? All in all.
I am me now.
I am now.
Thou art me telling/showing, displaying my all ever so soon.
I am now.
You name is now.
Your time is now.

8. Move forth/on into the now prepared from the beginning forefront of forefronted time by my now-lover, who ever was, is, and is to come not;

now is and now here and now forefronting me/my father's heart. He has given us his/all. *He has given us himself and we are now him and each other* *and throughout each other, heaven is.*

9. I have all things in thy/my hands.
My heart envelopes thee and delivers thee from all fears.
Thou art timid-not in the face of lions/lion's dens.
That hast me through and through.
See what I have said/declared.

10. I am all things/time, pure; holy. Peace.
Me.

11. I am thine oh lord. I have heard thy voice. And it told/showed my love to thee. And I long no more for this moment, for this moment is and afar farther/further your ring/voice now echoes not but reverberates increasingly to/through the ancient of ages.

12. I am thine. All I have/am is thine. All I have/am is your. All I have/am is you.
You one my body with your love.

13. I am grateful. I am thankful. I am gratitude. I am mercy. I am flesh, yours, spirit-bred/born, the firstborn not, second; seconding now altogether the church/body of the first, not; father (1). I love you all.

14. Father's heart you have/are.
Flesh one, me'd.
Word made flesh, flesh made/composed of spirit only.

15. I am thine oh lord. I have heard thy ache. I care for my soul, that you care so for. She is mine/me'd. Wait and see. Watch me.

16. I love you deeply, intensely, permeatingly, penetratingly, and the kingdom of heaven is thine for the asking, not; enter.
You are there/in it. I am thine all. There is no other.

17. I Am.
Me

18. Think it not strange the trials that got you to me/this point, this moment. I have all things in my hand. I give everyone choice. Your will I bow to, I have, eternally. You now, bow to yours. Now mine, inseparable, twain being two not but one, you enter the/my/all fullness. All in all my friend-lover, is your name now.

19. London proclaims my name. My banner over London is love. Thou lovest me above all. My temple you never leave (2). I am thine/have bowed to thee. Share me/my all.

Me
